ACCESSORIES

# Clamps, anchors and brackets

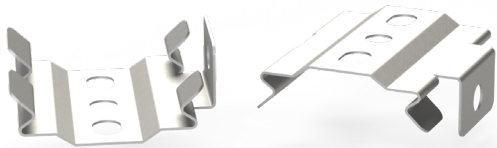

## S Series - Plastic fastening clamps

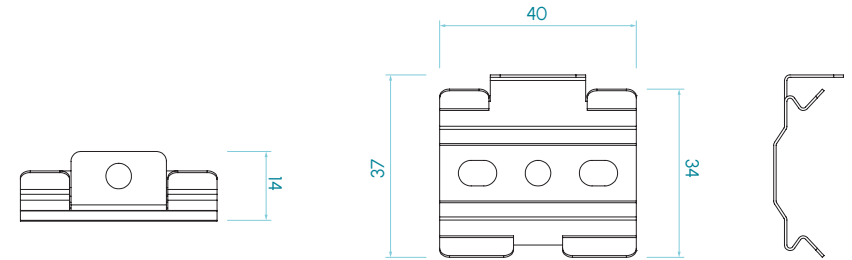

Part number	S00G2
Material	ABS
Orientation	Fixed at 0°
Packaging unit	2 units

## P Series - Metal fastening clamps

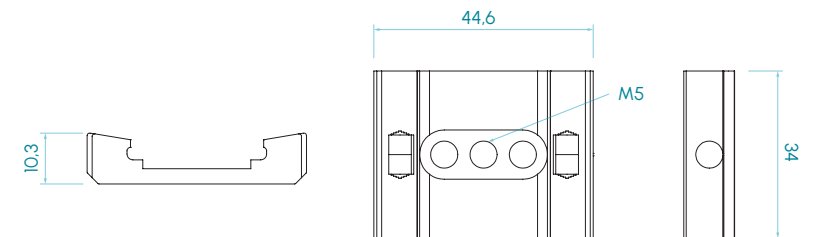

Part number	P00G1
Material	Stainless steel
Orientation	Fixed at 0° y 90°
Packaging unit	2 units

## P Series - Plastic fastening clamps

Part number	P00G2
Material	ABS
Orientation	Fixed at 0° y 90°
Packaging unit	2 units

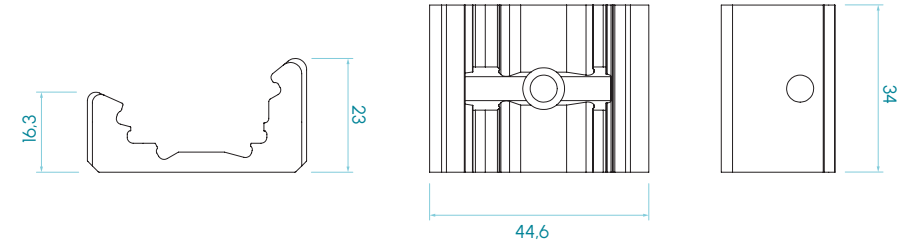

Dimensions in mm

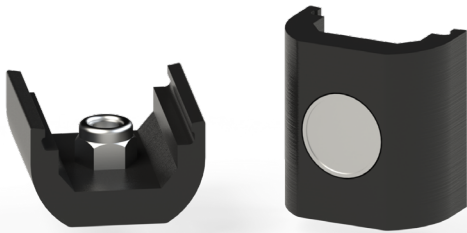

## P Series - Plastic rotating clamps

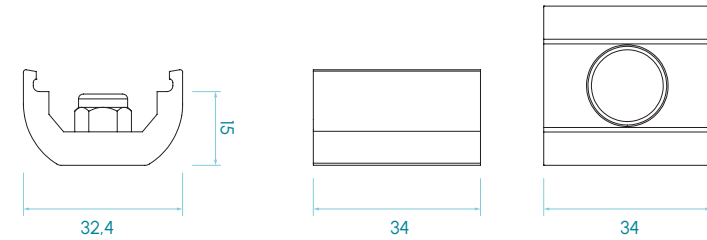

Part number	P00G3
Material	ABS
Orientation	Fixed at 0°, 15°, 30°, 60°, 75°, 90°
Packaging unit	2 units

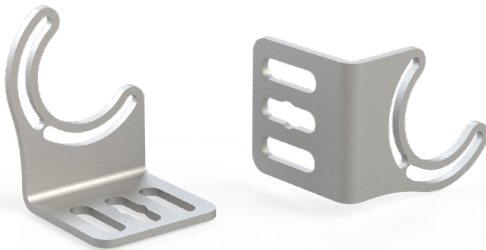

## P-Series - Magnetic fastening clamps

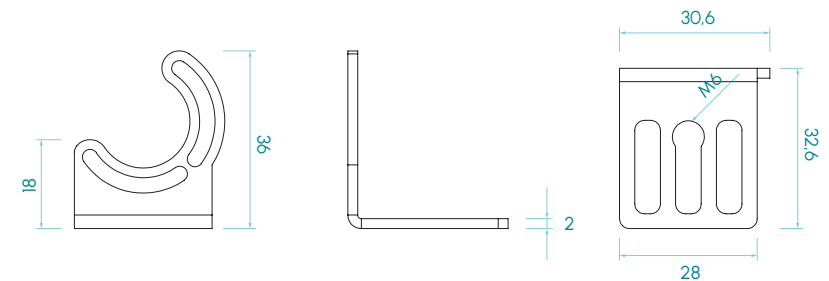

Part number	P00G4
Material	ABS
Orientation	Fixed at 0°
M6D16 magnet integrated in the clamp	
Packaging unit	2 units

## P Series - Rotary anchor

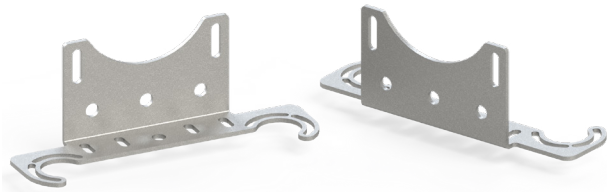

Part number	POOR1
Material	Stainless steel
Fixed orientation	at 0° & 90°
Variable orientation	from 0 - 90°
Compatible with M6D16	
Packaging unit	2 units (left + right)

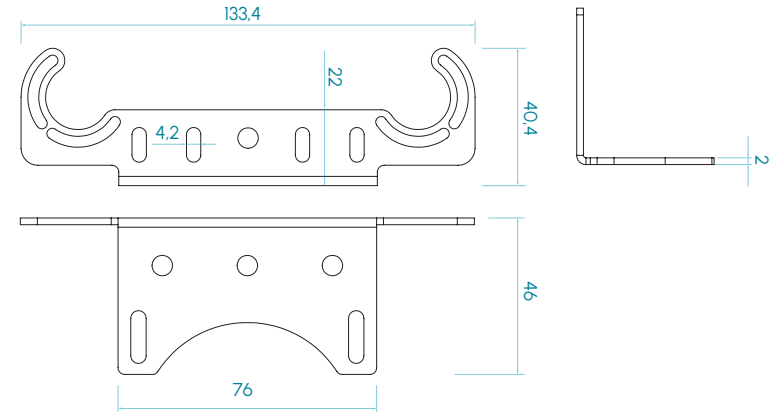

Dimensions in mm

**lumher**

## P Series - Double Bar Rotary Anchor

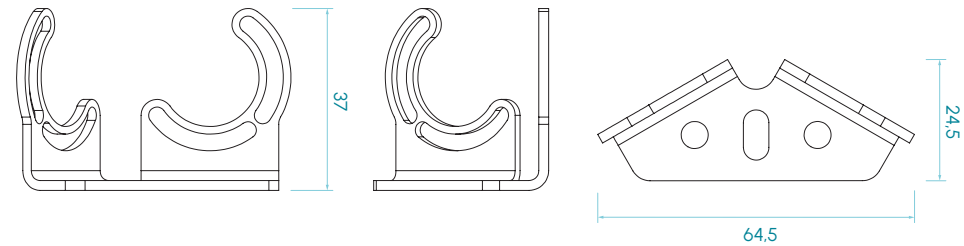

Part number	POOR2
Material	Stainless steel
Fixed orientation	at 0° & 90°
Variable orientation	continua de 0° - 90°
Packaging unit	2 units (symmetrical)

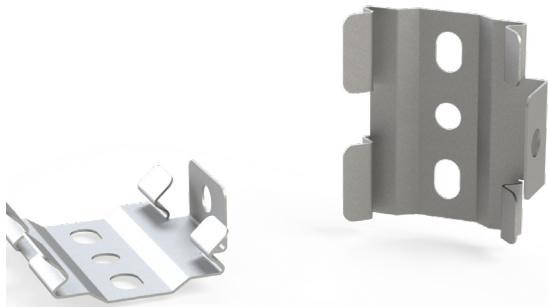

## P Series - 60° double rotating anchors

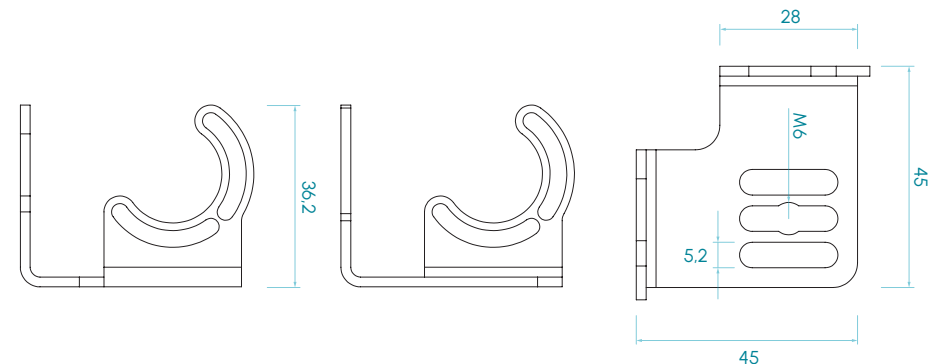

Part number	POOR3
Material	Stainless steel
Fixed orientation	at 0° & 90°
Variable orientation	from 0° - 90°
Compatible with M6D16	
Packaging unit	1 unit

## P Series - 90° double rotating anchors

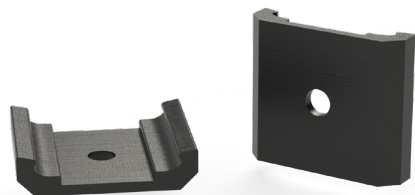

Part number	POOR4
Material	Stainless steel
Fixed orientation	at 0° & 90°
Variable orientation	from 0 - 90°
Compatible with M6D16	
Packaging unit	2 units (left + right)

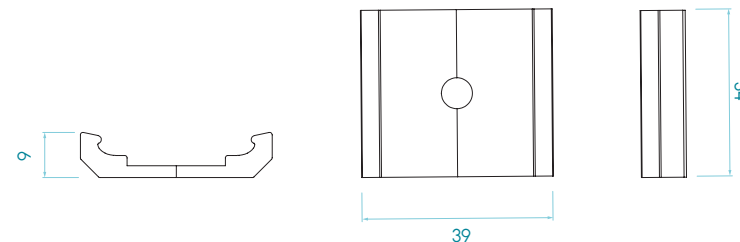

Dimensions in mm

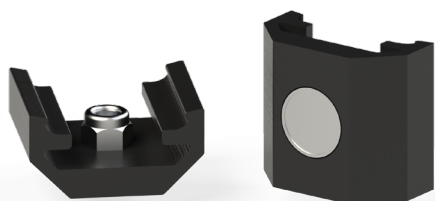

## F-Series - Plastic fastening clamps

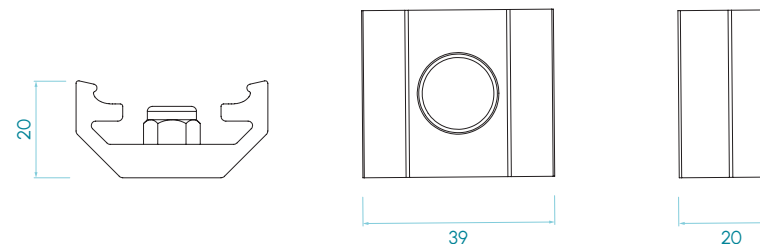

Part number	FOOG2
Material	ABS
Orientation	Fixed at 0°
Packaging unit	2 units

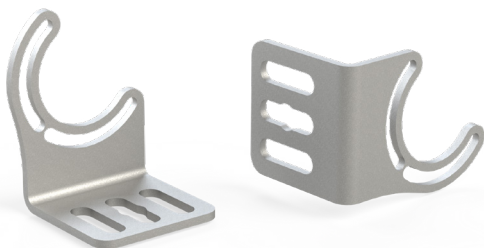

## F Series - Magnetic fixing clamps

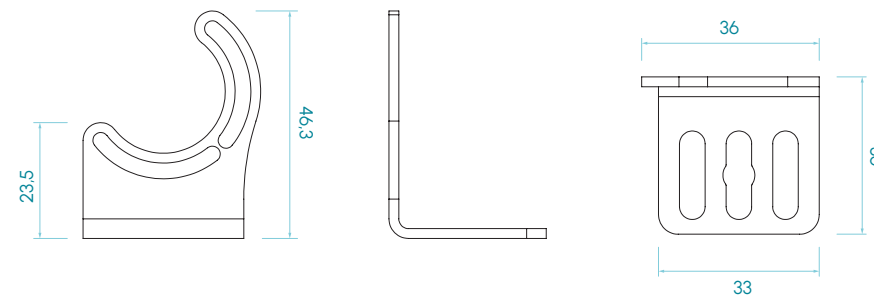

Part number	FOOG4
Material	ABS
Orientation	Fixed at 0°
<b>Magnet M6D16 integrated in the clamp</b>	
Packaging unit	2 units

## F Series - Rotary anchor

Referencia	FOOR1
Material	Stainless steel
Fixed orientation	at 0° & 90°
Variable orientation	from 0° - 90°
<b>Compatible with M6D16</b>	
Packaging unit	1 unit

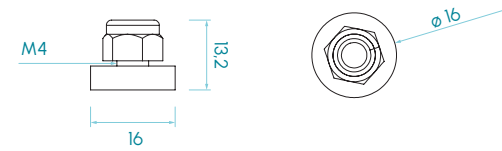

Dimensions in mm

**lumher**

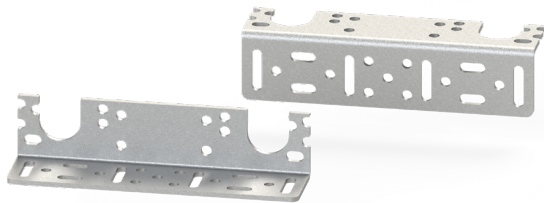

## Magnetic support ø16 mm

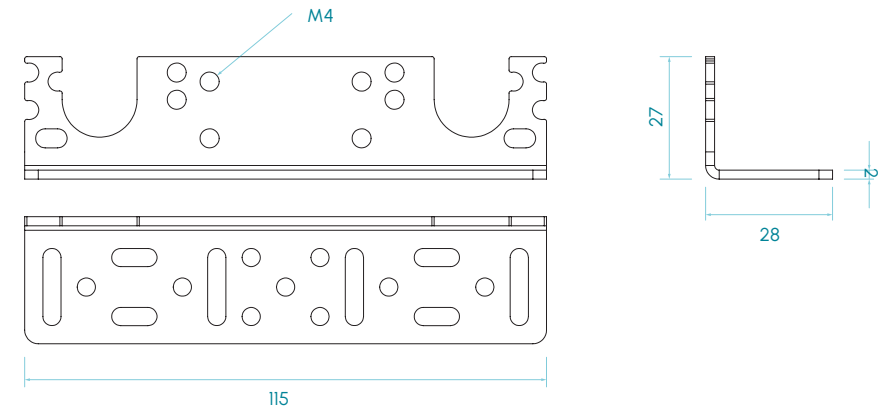

Part number	M6D16
Material	Stainless steel + neodymium
Compatibilidad	POOR1, POOR2, POOR3, FOOR1
Packaging unit	2 units

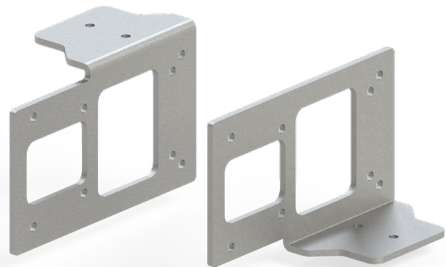

## B and R Series - Lateral support

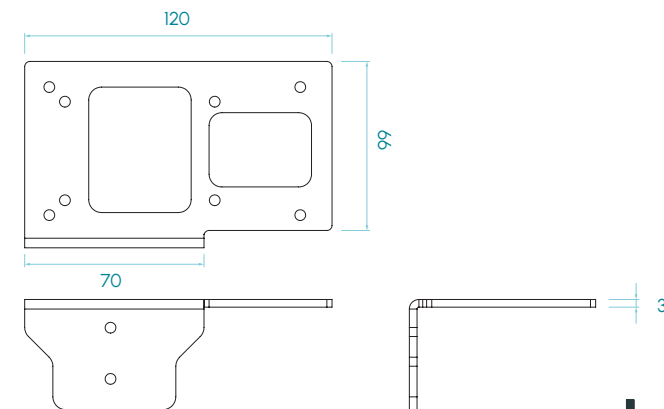

Part number	B00S1
Material	Stainless steel
Fixed orientation	at 0° & 90°
Packaging unit	2 units

## Support for Cognex 5000, 7000 Series cameras

Part number	C00C1
Material	Stainless steel
Fixed orientation	90°
Packaging unit	1 unit

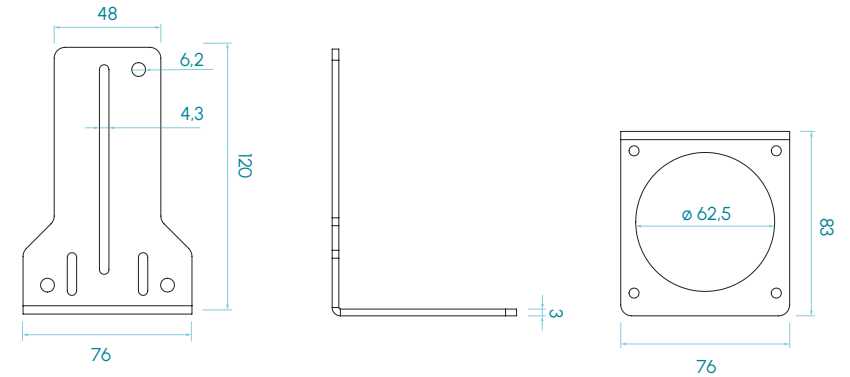

Dimensions in mm

**lumher**

## Support Sensopart 1st. & Next Gen cameras

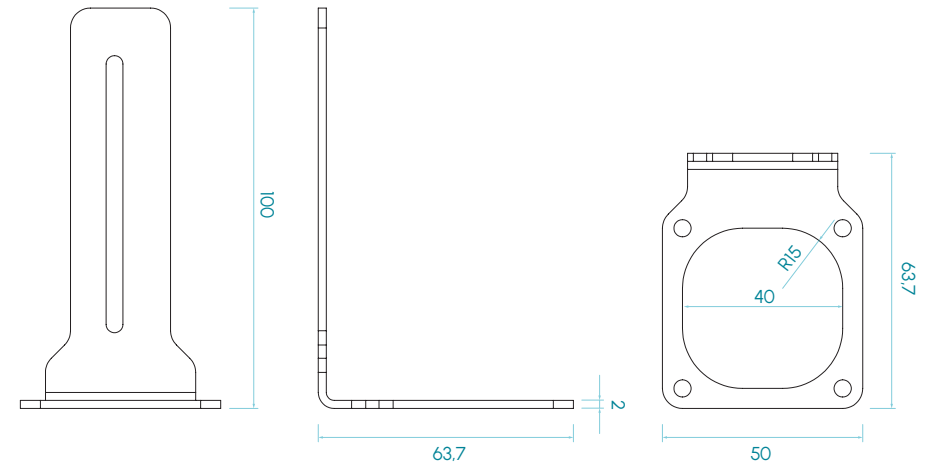

Part number	C00S1
Material	Stainless steel
Fixed orientation	90°
Variable feed rate	0 - 80 mm.
Packaging unit	1 unit

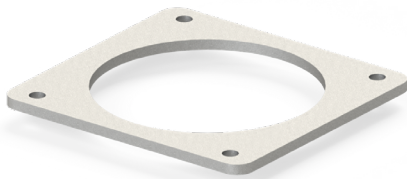

## Sensopart camera bracket for Dome

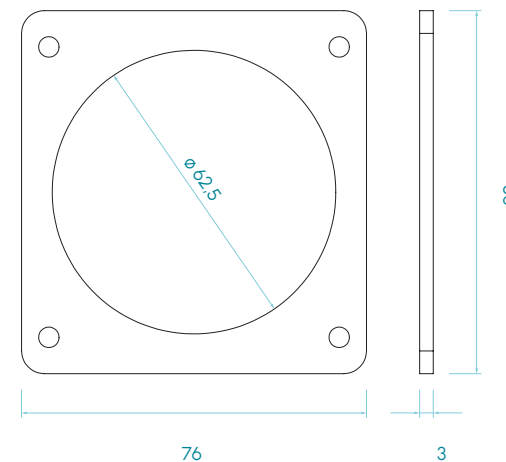

Part number	C00S2
Material	Stainless steel
Fixed orientation	90°
Variable feed rate	0 - 80 mm.
Packaging unit	1 unit

## Universal flat camera bracket

Part number	C00F1
Material	Stainless steel
Packaging unit	1 unit

Dimensions in mm

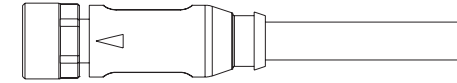

**lumher**

# Connectos

## M8A Cable - Female

Part number	1.5 m	M8A4VF015M
	5 m	M8A4VF050M
	10 m	M8A4VF100M
M12A	4 pins	
Connector	Female straight	
Material	Insulating PVC	

## M12A Cable - Female

Part number	1.5 m	M12A4PF015M
	5 m	M12A4PF050M
	10 m	M12A4PF100M
M12A	4 pins	
Connector	Female straight	
Material	Insulating PVC
